## Newsletter May 2010

Welcome to our May edition of the Naked Tan Newsletter. With so much happening at Naked Tan this month we almost forgot Winter is creeping up on us! Read on for all the exciting news and events to put into your calendar! You'll be kicking yourself if you miss out on anything and we don't want that!! So get comfortable and read on... :)

### LIGHTS, CAMERA, NAKED TAN

The film crew rolled into our Naked Tan Head Office last week to film the hotly anticipated Training DVD. Filming was successful, everyone was a natural. No one in the office is camera shy ;) A huge thank you to the lovely Dione from Young Blood for making all the girls in the office even more beautiful then they already are— even those not actually in the DVD. We were all fortunate enough to get a make over! And another huge thank you to our film directors— the guys from HmP Media. The DVD will have you all tanning like experts in no time and will be available very soon!

### TANNING TIP - By Sara-Jane

With Winter fast approaching, everyone is wanting that natural glow, right? Why not mix 25mL of our Tanned Solution with 25mL of our Natural Solution. This mix creates the perfect colour for the dreary Winter months, so you continue to look your fabulous self!

### JUNE HAIR EXPO— (click here to be taken through to the website)

Naked Tan have recently booked a stand at the 2010 Sydney Hair Expo at the Sydney Exhibition Centre. This is our first year at the Hair Expo, and we would absolutely LOVE everyone to come and visit us at Stand# 3110 from the 12th– 14th June— what better way to spend the June long weekend!! We have also been invited onto the Spotlight Stage as the tanning brand to host 'Learn the Art of Spray Tan'. This demonstration is scheduled for Sunday at 12.15pm, so make sure you don't miss our time to shine!

### APRIL COMPETITION WINNER and STOCKIST OF THE MONTH— Website listing on the Locations Map!

Athena from The Essential Beauty Skin Care Clinic in Penshurst, NSW was the winner of our April website Listing competition and is also our Stockist of the Month. Make sure you jump onto our website to check out where to visit Athena. She is very excited to meet her potential new clients. Another big congratulations to Athena for winning this coveted spot!!

### WINTER PROMOTION

Naked Tan has designed a National campaign to ensure all Naked Tan stockists continue spray tanning through the winter months of June and July! This is a fantastic opportunity to expand your client base and your salons profit margin— which is never a bad thing! We are excited to assist you all increasing your tan bookings this Winter!! The details have been sent out to everyone last month. If you have not received this important information, send through your details and one of the friendly girls in the office will be more than happy to send it out to you, so you can join in on this amazing campaign!

### SHOW US SOME LOVE

We would love to share with you a testimonial from one of our gorgeous stockists. Katrina Hunter had this to say about our Sales Team Leader, Taylor Howarth and the rest of the Naked Tan goddesses:

"The support that I have had since being in contact, with Taylor in particular, has been outstanding. From the day I first rang and spoke to Taylor, she has been an inspiration to my self confidence . There has always been a quick response, when I have asked for any assistance and my emails have always been answered promptly. For anyone wanting to be a part of this team, I would say GO FOR IT, you will not find a better group of people to be associated with. Naked Tan has been the best tanning products that I have seen as yet, and the people that I have had the pleasure to use this on, have been very happy with the results. Once again I would like to thank Taylor, for all your help and support through my journey into NAKED TAN"

The Girls love hearing nice things about themselves ;) so feel free to jump on our facebook page and leave us a comment or email it through and we can share it with the rest of our Naked Tan family.

Watch out Facebook! Naked Tan is taking over! Our fanbase just keeps growing and growing! Are all your friends Naked Tan fans?... If not direct them to our [facebook](#) page and let them know being a fan of Naked Tan is simply a MUST!!
